CUSTOM SIZE PRINT PRODUCTION GUIDE

Create the artwork artboard at the exact width and height selected in the product configurator. This guide is not a fixed-size artboard.

- 01** Use the exact ordered dimensions from 6 x 4 ft through 10 x 8 ft.
- 02** Do not add extra height for the top and bottom 3 in pole pockets.
- 03** Keep text, logos, and faces clear of the visible pocket seams.
- 04** Use one single-sided artwork file.

FINAL CHECK

Exact ordered dimensions - CMYK - 150 dpi - fonts outlined

No crop marks or extra bleed unless the product instructions require it

Remove all guide artwork before exporting the production file
